Assaflex Bridge Bearings  
1, Romney House  
Abby Park  
Park Road  
Beckenham  
BR3 1QA  
England  
6 November 2013

Dear Sir,

I can confirm the elastomeric bridge bearings supplied by your company were of excellent quality and conformed to the specification. Our client, North Lanarkshire Council, was happy to accept your materials.

Should any future tenders require the use of bearings we give you the opportunity to submit a quote.

Yours Sincerely

W Garbett,

Contracts Manager.
